

SANKULA KOTESWARA RAO

Software Developer | Python & Django Developer | Full-Stack Web Developer

Bapatla, Andhra Pradesh, India | +91 9182015717 | srkotes23@gmail.com | [linkedin.com/in/sankula-koteswararao](https://www.linkedin.com/in/sankula-koteswararao) | github.com/rkotes | kotesesh-portfolio-nine.vercel.app

PROFESSIONAL SUMMARY

Software developer and final-year B.Tech Artificial Intelligence and Machine Learning student with hands-on experience building Python, Django, Flask, REST API, React, JavaScript, and Streamlit applications. Completed a 6-month Python Development internship with Flipkart Launchpad and built public projects across employee leave management, ERP portals, AI chatbots, automation tools, and responsive web platforms. Strong fit for entry-level software developer, Python developer, backend developer, frontend developer, and full-stack developer roles.

TECHNICAL SKILLS

- Languages: Python, JavaScript, TypeScript, HTML5, CSS3
- Backend: Django, Flask, REST APIs, authentication, API integration, server-side application logic
- Frontend: React.js, responsive UI, Bootstrap, Tailwind CSS, DOM manipulation, accessibility basics
- Databases and Tools: SQLite, Git, GitHub, Vercel, Render, Streamlit, VS Code
- AI and Automation: AI tools, prompt engineering workflows, chatbot development, Python automation
- Software Practices: debugging, clean code, version control, deployment, documentation, teamwork

PROFESSIONAL EXPERIENCE

Coordinator | Techno Future India | May 2026 - Present | Guntur, Andhra Pradesh

- Mentor internship cohorts on MERN Stack fundamentals, software development workflow, debugging, and project execution.
- Design structured learning sessions covering frontend development, backend concepts, teamwork, and practical implementation.
- Guide students through real-world development practices to improve project completion quality and technical confidence.

Python Development Intern | Flipkart Launchpad Student Internship Programme | Aug 2025 - Jan 2026 | Remote

- Completed a 6-month Python Development internship organized by Corvix and Flipkart.
- Built and practiced Python software development tasks in an e-commerce-oriented learning environment.
- Applied debugging, programming fundamentals, and software development practices across internship assignments.

PROJECTS

Employee Leave Management System (ELMS) | Python, Flask, REST APIs, HTML, CSS, JavaScript

github.com/rkotes/elms | elms-3.onrender.com

- Built a full-stack leave management system with employee and manager workflows, authentication, and responsive screens.
- Implemented REST API patterns to digitize leave requests, approvals, and status tracking.

College ERP Portal | Django, Python, HTML, CSS, JavaScript

github.com/rkotes/ciet_erp

- Developed an academic ERP portal for student attendance, records, assignments, and administrative workflows.
- Created structured dashboard screens and data-management flows for college operations.

Rolla AI Digital Agency Platform | MERN Stack, Django, Next.js, Tailwind CSS

github.com/rkotes/rolla-ai | rolla-ai.vercel.app

- Built a responsive digital agency and SaaS development platform with modern UI, SEO structure, and deployment-ready pages.
- Designed reusable web sections for service positioning, client acquisition, and software product presentation.

Hospital Chatbot | Python, AI, Streamlit, Chatbot

github.com/rkotes/hospital_chatbot | hospitalchatbot04.streamlit.app

- Created an AI chatbot prototype to answer patient queries and support appointment-related interactions.
- Built a Streamlit interface for fast browser-based use and live demonstration.

QR Code Generator | Python, Streamlit

github.com/rkotes/QR-Generator | qr-generator04.streamlit.app

- Developed a web utility that generates downloadable QR codes for URLs, text, and common input formats.

Personal Developer Portfolio | HTML, CSS, JavaScript, Vercel

github.com/rkotes/kotesesh-portfolio | kotesesh-portfolio-nine.vercel.app

- Built a responsive portfolio with project sections, certifications, contact workflow, and an interactive assistant.

EDUCATION

- B.Tech in Artificial Intelligence and Machine Learning, Chalapathi Institute of Engineering and Technology, 2023 - 2027 | CGPA: 8.03
- Intermediate, Sri Saraswathi Jr College, 2021 - 2023 | 90.07%
- SSC, Govt Z Z P H School, 2020 - 2021 | 97.00%

CERTIFICATIONS

- Flipkart Launchpad Internship Programme - Python Development, Jan 2026
- Freedom With AI Master Class - AI Tools and Prompt Engineering Workflows, Jun 2025
- MERN Stack Training - Chalapathi Institute of Engineering and Technology, 2025

ACHIEVEMENTS

- Published 12 public GitHub repositories across Python, JavaScript, HTML/CSS, and TypeScript.

- Built and deployed live applications using Vercel, Render, and Streamlit.
- Maintained professional LinkedIn presence with 735 followers and 500+ connections.
